

Mayor Domenic J. Sarno's City of Springfield COVID-19 Situational Update

Friday, May 8, 2020

Mayor Domenic J. Sarno, in the best interests of our residents and business community, continues his daily morning meetings with his cabinet heads as they work 24/7 to facilitate and coordinate with all of our local, state, federal, and public and private partners in response to the COVID-19 situation.

Below are the most recent updates as reported from each City Departments.

Mayor's Office

- Continues to coordinate the city's efforts with all stakeholders (state, federal, hospital and medical facilities, public and private partners, etc.) in response of services and relief and recovery measures
- Continuing to monitor the COVID-19 situation closely so that the city does not reopen and ease our prudent measures too early, which could potentially expose our residents to a second wave of the virus
- Continues to stress the need for additional target testing in order to build strong public, business, consumer, and hospital confidences to identify, isolate, contact trace, mitigate and heal potential hot spot areas
- Continuing to review the health measures and facility needs for municipal buildings to begin phased reopening to the public - will adhere to state guidance and recommendations
 - Temperature check before entering
 - Hand sanitizer at each entrance and exit
 - Limiting entrances and exits to a minimum within building and fire code
 - Install protective health measures at locations where the public gathers and interacts with city staff
- Weekly conference call with Congressman Richard Neal during daily morning cabinet heads meeting
 - Provided an update from Congress about ongoing discussions on another round of federal stimulus funding for residents, businesses and direct funding for states and municipalities through established federal funding mechanisms such as CDBG
 - Mayor Sarno and CAFO TJ Plante shared with the Congressman the revenue shortfall and deficit spending the city is experiencing and the potential of up to a 28% cut in state local aid which could be as high as \$11.3 million
- Hosted weekly conference call with Springfield State Delegation to provide situational updates and to continue to advocate for support from the state Legislature
 - Provided an update on city's Economic Development initiatives

- Discussed the ongoing budgeting and legislative concerns. Revenue shortfalls, deficit spending and pending legislation
- Discussed the need for additional testing within the community of asymptomatic and symptomatic individuals
- Mayor Sarno, Chief of Staff Tom Ashe and Elections Commissioner Gladys Oyola held a conference call with United States Secretary of Commerce Wilbur Ross to discuss the city's ongoing efforts continued outreach on the U.S. Census
 - Stressed the importance it is to track all U.S. Census data for the City of Springfield
 - Census data provides the baseline for the allocation and distribution of all federal and state funding aspects such as CDBG
 - Census data provides the number of seats in the United States House of Representatives each state is allocated based on population
- Chief of Staff Tom Ashe represented the Mayor on Governor Baker/Lt. Governor Polito's Business Reopen Advisory Board update conference call
- Mayor Sarno participated in vehicle birthday parade with proclamation for 90 years young COVID-19 senior citizen survivor
- City Hall utilizing thermal infrared thermometers to proactively protect and preserve our workforce
- Heartfelt thank you to our Springfield Community for stepping up with PPE donations, allowing the city to outfit our dedicated police, fire and frontline workers with the appropriate safety equipment
 - 600 face shields donated to Springfield Fire Department by UMass

Health

- Announced 55 new cases of Springfield residents testing positive for COVID-19 (Coronavirus)
- Total positive cases now at 1,657
 - City starting to see a leveling of cases, but as more target testing becomes available these numbers will most likely continue to increase - we must remain vigilant
 - 52 deaths of Springfield residents related to COVID-19
 - State has reclassified the 'causes of death' for prior deaths which may not have been attributed to COVID-19 related conditions and underlying health symptoms
 - 27 deaths reported from long term care facilities
 - 25 residential deaths
 - Average age of positives cases – 53 years old
 - Average age of hospitalizations – 68 years old
 - Average age of deaths – 82
- Continues to monitor potential COVID-19 cluster locations across the city, especially at our long-term care facilities.
 - National Guard Med Tech through state Department of Public Health and City Health Department continue to provide assistance with our long-term care facilities with testing aspects
- Continues to monitor stores and locations adhering to Governor's public health order for face coverings. Commissioner Caulton-Harris has also personally visited a number of stores and locations
- Commissioner Caulton-Harris through the City of Springfield Board of Health issued Regulation on Face Coverings
 - Mandating face coverings for all persons (with exceptions) to wear a face covering while out in public and where social distancing is not possible
 - Requirements for businesses to adhere to the regulation

- Law enforcement and public health officials will enforce regulation
 - City will focus on educational component for the first week to educate and remind residents and businesses of the Governors Order and city regulation
 - Issuing of civil fines will be last resort for those who continue to refuse to comply
- Mayor Sarno and HHS Commissioner Caulton-Harris continue to push and work with the state, local hospitals and healthcare facilities with community health outreach aspects to do much more symptomatic and asymptomatic testing, not only for homeless population, but for all targets
- School nurses continue to help with contact tracing
 - Over 900 contact tracing has been done so far
- Reviewing plans to expand city contact tracing abilities through Governor Baker's continued initiative efforts
- Announced the continued need and importance of adhering to all public health, personal hygiene and social distancing procedures. Still very important, even though hospitalization numbers are stable, public health is population based and community spread of the virus is still prevalent
- Homeless Triage facilities and operations up and running – results showing tactical strategy is working
 - 3 individuals from Taylor Street site currently staying at city's homeless triage tenting facility – all negative
 - 131 tested (all negative) at city's medical tenting triage facility on Worthington St.
 - 38 tested (37 negative) at Springfield Rescue Mission – Taylor Street site
 - Total population tested - 169 individuals
 - Partnership with Baystate Health for testing at city's Homeless Triage Facility
 - Partnership with Mercy Medical for testing at the Springfield Rescue Mission – Taylor Street and Mill Street site
- City of Springfield team collaborated with Mercy Hospital to test City of Northampton and the Town of Amherst homeless population in the western region – 172 individuals tested
- Health and Human Services Commissioner Helen Caulton-Harris joined with state Senator Eric Lesser for a COVID-19 Q&A discussion and update – livestreamed on Senator Lesser's social media platforms
- City of Springfield COVID-19 hotline - (413) 750-3250 – staffed 7 days a week. 8:30am – 7pm.
