AGREEMENT

Agreement made at Springfield, Massachusetts between the **CITY OF SPRINGFIELD**, hereinafter called the "City", and **LOCAL 1596-Unit A and STATE COUNCIL #93 AMERICAN FEDERATION OF STATE, COUNTY AND MUNICIPAL EMPLOYEES** collectively called the "Union".

This Agreement has as its purpose the promotion of harmonious relations between the administration of the City, the union, its representatives, and the professional staff represented by the Union, the establishment of an equitable and peaceful procedure for the resolution of differences; the establishment of wages, hours and other terms and conditions of employment; and the creation of a cooperative relationship with the objective of achieving quality public service in the most efficient and economical manner.

ARTICLE 1 **RECOGNITION**

Section 1. The City recognizes the Union as the sole and exclusive bargaining agent of the professional employees pursuant to the Certification in Case No. 1-RM-965 issued by the National Labor Relations Board on September 17, 1976:

"All professional employees employed by the Employer at its main locations at 220 State Street, Springfield Massachusetts, and at its Springfield, Massachusetts branch locations at 21 Osborne Terrace, 380 Belmont Avenue, 44 Oak Street, 204 Boston Road, 1187 Parker Street, 765 State Street, and 200 Birnie Avenue, 122/124 Island Pond Road locations but excluding all other employees, confidential employees guards and supervisors as defined in the Act."

The City agrees to notify the Union of the creation of any new classifications which arguably should be added to the bargaining unit. Any disputes as to the exclusion or inclusion of such new classifications, if not resolved by the Parties, shall be subject to resolution only by the Massachusetts Division of Labor Relations. In the event it is finally determined that the classification belongs within the bargaining unit, all positions within that classification shall be subject to the provisions of the job posting and bidding provisions in this Agreement.

The City agrees it will not make any agreement with any employees or group of employees covered by this Agreement, which violates any provision of this Agreement.

ARTICLE 2
UNION RIGHTS

Section 1. Union staff representatives shall be permitted to have access to the premises of the Library Department for the performance of official union business arising out of the administration of this contract, provided that there is no disruption of operation; requests for such access will be made in advance and will not be unreasonably denied. The Union will furnish the City Human Resources and Labor Relations Department with a list of staff representatives.

Section 2. Requests for leaves of absence without loss of pay to attend meetings, conventions and executive board meetings of the Local, City, State, Regional and parent labor organizations will be considered and may be granted to Union officers, stewards and elected delegates of the Union. Such leave will require approval of the Director or his/her designee.

Section 3. Requests for leaves of absence without loss of pay to attend hearings before the Legislature and State agencies, where the presence of the employee may reasonably be in the interest of the City, will be considered and may be granted to representatives of the Union or other employees. Such leave will require approval of the Director or his/her designee.

Section 4. Upon request by the Union, an employee may be granted leave of absence without pay to perform full-time official duties on behalf of the Union. Such leave of absence shall be for a period of up to one year and may be extended for one or more additional periods of one year or less at the request of the Union. Advance approval of the Director or his designee is required for all such leaves or extensions thereof.

Section 5. The Union shall be permitted to have reasonable use of open Library facilities during off-duty hours for Union meetings.

Section 6. The Union may post notices on bulletin boards or an adequate part thereof in places and locations where notices usually are posted by the City for employees to read. All notices shall be on union stationary, signed by an official of the Union, and shall only be used to notify employees of matters pertaining to Union affairs. The notices may remain posted for a reasonable period of time. No material shall be posted which is inflammatory, profane, obscene, defamatory, or derogatory to the City, its employees, Department Heads, patrons, supporters, services or policies, or which constitutes election campaign material for or against any person, organization, or faction thereof.

Section 7. Annually, upon request by the Union, the City will provide the Union with a complete current list of names and addresses, job titles and work locations, with seniority date of bargaining unit employees; provided further that upon request made no more than once each quarter, the City will also provide the Union

with the names and addresses of new bargaining unit employees and the names of employees no longer employed in the bargaining unit. The City will keep the seniority list up to date at all times and shall make the list available for inspection by the Union at reasonable times.

Section 8. Upon the request of the employee made to the supervisor, an employee shall have the right to have a Union Steward or other available representative present at any meeting during which the employee is specifically requested to respond to charges which (a) pertain to employee misconduct and (b) lead the employee to believe he or she is potentially subject to discipline. This right shall not apply to any meeting, such as to review a performance evaluation form, where the employee's active participation is not required.

Section 9. The Union will furnish the City with a list of Union Stewards and their jurisdictions.

Section 10. For the purpose of investigating, filing and processing grievances, the applicable Stewards or other Union officers will be allowed time off with pay. Requests for such time off shall be made in advance to the supervisor and shall not be unreasonably denied. This provision is based on the understanding that the time will be devoted to the prompt handling of legitimate grievances or other legitimate representation functions, and that the employee will continue to work at normal assignments at other times.

Section 11. When, pursuant to the provisions of Article 36, Duration, negotiations take place for the purpose of negotiating a successor to this Agreement, the City will pay up to three (3) employees designated by the Union for the time spent by them in negotiations during working hours.

Section 12. During formal orientation programs for new employees, the City shall advise employees of their representation by the Union and their obligations under the Article on Union Security.

Section 13. Printing Of The Union Contract

Within thirty (30) days after the signing of this Agreement, the Library Department will provide copies of the contract and shall distribute such to all present and newly-hired employees covered under the terms of and during the life of this Agreement. The parties agree to share the cost of materials needed, if any.

ARTICLE 3
UNION DUES:

Section 1. Employees shall tender weekly membership dues by signing the Authorization of Dues Form. During the life of this Agreement and in accordance with the terms of the form of Authorization of Check-off of Dues hereinafter set forth, the Employer agrees to deduct Union Membership dues levied in accordance with the Constitution of the Union from the pay of each employee who executes or has executed such form and remit the aggregate amount to the treasurer of the Union along with a list of employees who have had said dues deducted. I hereby apply for membership in Council 93 (hereafter "Union") and I agree to abide by its Constitution and Bylaws. I authorize the Union and its successor or assign to act as my exclusive bargaining representative for purposes of collective bargaining with respect to wages, hours and other terms and conditions of employment with my Employer.

This voluntary authorization and assignment shall remain in effect in accordance with the applicable collective bargaining agreement. If the applicable collective bargaining agreement or state statute does not address revocation, then this voluntary authorization and assignment shall be irrevocable, regardless of whether I am or remain a member of the Union, for a period of one year from the date of execution or until the termination date of the collective bargaining agreement (if there is one) between the Employer and the Union, whichever occurs sooner, and for year to year thereafter unless I give the Employer and the Union written notice of revocation not less than ten (10) days and not more than twenty (20) days before the end of any yearly period, or in accordance with state statute. RESPONSIBILITIES OF MANAGEMENT

Section 1. The City and the Union agree that the rights and responsibilities to operate and manage the business and the affairs of the Library Department are vested exclusively in the City subject to the specific restrictions in this Agreement. These rights and responsibilities include (by way of illustration) the right

to determine, control and change work operations and practices, service quality inspections and standards, service and shift schedules, work and shift assignments, hours of work and distribution of overtime, the work week and the work day, the size and the organization of the staff;

to control, determine and change the manner and the extent to which the City's equipment, facilities and properties shall be operated, laid out, increased, discontinued temporarily or permanently in whole or in part, decreased or located and to introduce, operate and change new or improved methods, facilities, techniques and processes;

to establish, expand, reduce, alter, combine, consolidate or abolish any department, operation, or service;

to select, test, train, supervise and evaluate ability and qualifications of employees;

to upgrade, downgrade, change, transfer, leave unfilled or abolish particular job positions or classifications;

to obtain from any source and to contract and subcontract for materials, services, supplies and equipment whether or not involving work which might be done by employees covered by this Agreement; provided that no employee shall be terminated or laid off or have his/her hours reduced because his or her job duties have been contracted out;

to establish, distribute, modify and enforce rules of staff conduct, security and safety and manuals of operating procedures and safety and security regulations;

to maintain discipline and order and to maintain or improve efficiency;

to employ, lay off, discharge, assign, retire, discipline, transfer, suspend and promote its employees; provided, however, that prior to the implementation of any layoff of non-probationary employees, the City will give the Union as much

notice as is reasonable, and on request, will meet with the Union to discuss any suggested alternatives; and provided further, that no employee shall be terminated or laid off because his or her job duties have been assigned to an unpaid volunteer;

to determine, control and change the quality, the quantity and the nature of its services;

and all other authority pertaining to the operation and management of the business and the affairs of the City that are not specifically limited or given in this City to the Union. The failure by the City to exercise any of the rights as provided in this Section shall not be construed as a waiver of these rights. The provisions of this Agreement shall not limit or be construed to limit or restrict the inherent and the common law right of the City and management to control, direct, manage and make changes in the operations and the affairs of the Library Department. Except when it can be reasonably shown that conduct or action by the City is in violation of a specific provision of this Agreement, the right to operate and manage the business and the affairs of the Library Department, to direct the staff, and to unilaterally exercise the rights and authority as provided and illustrated in this Section shall not be subject to the grievance procedure, nor to arbitration, nor to advance collective bargaining; provided, however, that the City acknowledges the reserved right of the Union to require discussion and negotiations as to the effects on the employees of the exercise of such rights or authority.

ARTICLE 5 **NO DISCRIMINATION**

Section 1. The City and the Union agree that the provisions of this Agreement shall be applied without regard to race, color, religion, creed, sex, national origin, age, handicap, or sexual orientation.

Any charges of discrimination in violation of this Article shall be subject to the contractual grievance and arbitration procedure of Article 15.

ARTICLE 6 **NO STRIKE CLAUSE**

Section 1. The Union agrees that it will not, for any reason, including a political protest, an alleged unfair labor practice or any other reason whether or not a matter subject to the grievance procedure of this Agreement, directly or indirectly, cause, encourage, sanction, or support any strike, sympathy strike, boycott, picketing, withholding of services or any other concerted interruption of or interference with the operations of the Library Department; provided, however, that no employee will be required to perform the duties of other Library Department employees who are lawfully

on strike, and provided further that no employee will be required to cross a lawful picket line established at the premises of other employers.

Section 2. The City agrees that it will not lock out the employees during the term of this Agreement.

Section 3. The Union agrees that in the event of any violation of Section 1 of this Article by any employee or employees, the Union will not ratify, condone or lend support to such conduct or action. The City may impose any disciplinary action, including discharge, upon any or all employees involved in a violation of this Article. Such action by the City shall not be subject to the grievance and arbitration provisions of this Agreement except as to the question whether the employees disciplined or discharged did in fact participate in or encourage or were responsible for such violation.

Section 4. In the event that any employee or employees engage or participate in any of the prohibited conduct described in Section 1 of this Article, the Union shall promptly, upon notice, instruct such employee or employees to cease such action, to return to work immediately and to comply promptly with the provisions of this Article.

ARTICLE 7 **WAGES**

Section 1 **Salary Increases** – Effective and retroactive to July 1, 2016 increase wages for all employees by two percent (2%). In order to be eligible for retroactive monies an employee must be on payroll on the effective date and the date of ratification by the Springfield City Council. (See Attached Wage Schedule –Appendix B).

Move Library Information Services Supervisor (LISS) position to Grade 10 upon retirement, resignation or separation of current LISS.

There is hereby incorporated by reference and made a part hereof an Appendix “B”, which contains the schedules of salaries and classifications of employees in the bargaining unit.

Section 2. Use of Non-City Motor Vehicles

The Library Department may designate certain positions for which the use of a non-City owned motor vehicle is required. Effective September 1, 2015, an employee who, with the prior approval of his or her supervisor, uses his or her motor vehicle for City business shall be reimbursed at the IRS reimbursement rate of fifty seven and one-half cents (.57 1/2) per mile traveled. Should the IRS rate be reduced the rate for reimbursement will also be reduced. Effective July 1, 2017 the rate established by the City Comptroller shall be the private vehicle mileage reimbursement rate. Employees will ordinarily not be required to use their motor vehicles for City business.

Section 3 Change in Classification.

(a) When an employee is appointed, promoted or transferred to a new classification with a higher salary range, he or she shall enter the new class at that step in the salary range assigned to the new classification which next exceeds his salary in his old classification by at least five percent (5%). If such an employee returns to a position in his old classification, he shall re-enter at that step in the salary range assigned to his old classification which he would have attained, including step raises, had his service in the old classification remained uninterrupted and shall retain his old anniversary date.

(b) When an employee is appointed or transferred to a new classification with no change in salary range, he shall enter the new classification with no change in salary or anniversary date. If such an employee returns to a position in his old classification, he/she shall re-enter at that step in the salary range assigned to his old classification which he should have attained, uninterrupted, and shall regain his old anniversary date.

(c) When an employee is appointed, demoted, or transferred to a new classification which is in a lower salary range, he shall enter the classification at the highest step and rate in the new range to which his years of service in the same or a higher grade would entitle him/her and which does not exceed his/her current salary or the maximum rate of the new range.

Section 4. Change In Salary Range

If the salary range assigned to a classification is raised, incumbents of all positions in that classification shall be placed at that step in the new range which has the same number as the step which they occupied in the old range.

Section 5. Supervisor of Borrower's Services position is upgraded to Grade 14.1 effective on July 1, 2013. The attached job description is hereby adopted by the parties.

ARTICLE 8
HOURS OF WORK AND OVERTIME

Section 1. The normal work week for full time day shift employees shall consist of thirty-seven and one-half (37½) hours of work exclusive of lunch periods, but including breaks, within a calendar week beginning Sunday at 12:01 a.m. and ending Saturday at 11:59 p.m. Part time employees shall be paid at an hourly rate based upon a thirty-seven and one-half (37.5) hours workweek.

Section 2. Scheduled Sunday work shall be compensated on a premium basis, at the rate of one and one-half (1½) times the full time employee's straight time hourly wage rate computed on a 37.5-hour work week average pay basis. Part time employees shall be paid at the rate of time and one-half (1½) their hourly wage, based on a thirty-seven and one-half (37.5) hour week.

Section 3. Nothing in this Article shall be construed as a guarantee that any particular schedule or number of hours of work will be available.

Section 4. **Schedule Preference**

Schedule preference will be granted on the basis of seniority within the sub-unit as vacancies occur, provided the employee possesses the special qualifications and training necessary for professional coverage. Attached as Appendix "C" is a list of the agreed-upon units and sub-units.

Section 5. The City will endeavor to provide any affected employee with the earliest practicable notice of any change in his or her work schedule which the Director or his or her designee deems necessary due to illness, unanticipated absences or other cause. Acceptance of a change in schedule shall be voluntary on the part of the employee, except that the least senior qualified and available employee in the department may be required to accept such change. Except after discussion with the Union and by mutual agreement, an employee's schedule shall not be substantially changed to include more than two (2) evenings of work unless in accord with past practice.

Section 6. (a) All hours worked in excess of forty (40) hours in one calendar week or in excess of eight (8) hours in one day (ten (10) hours in case of a four (4) day schedule) shall be compensated at the rate of one and one-half (1½) times the employee's straight time hourly wage rate. Authorized time worked over thirty-seven and one-half (37½) hours and up to forty (40) hours shall be compensated at one hour (1) of paid time off for each such hour worked.

(b) Compensatory time shall be taken with the approval of the Library Director, but approval shall not be unreasonably withheld or delayed. Compensatory time shall not accumulate over fifteen (15) hours.

Section 7. An employee shall not be denied overtime compensation for authorized overtime service by reason of authorized absence during the week in which such overtime is performed. An employee shall not be credited with any hours worked for any day or portion thereof in which he was absent without pay.

Section 8. There shall be no pyramiding or hourly duplication of premium pay and/or overtime. For the purpose of calculating the straight time hourly wage rate, the weekly salary of any full time employee shall be divided by thirty seven point five (37.5), the number of hours for which the employees are paid. For the purpose of calculating the straight time hourly wage rate, the weekly salary of any part time employee shall be divided by thirty seven and one-half.

Section 9. All overtime work must be with the approval of the supervisor. Overtime within a particular department will be offered or distributed equitably so that overtime opportunities among the employees of the department qualified to perform it

will balance out over periods of time. The City may require the least senior departmental employees who are qualified and available to perform overtime work.

Section 10. The City agrees that it shall not, for the purpose of avoiding overtime payments, curtail the scheduled hours of an employee during the remainder of a week in which the employee has previously worked hours beyond his or her normal schedule.

Section 11. **Reporting Pay**

In the event an employee reports to work at the scheduled time and is sent home for lack of work, the employee will be entitled to payment of four (4) hours of work at the employee's straight time rate. This payment shall not apply in any case where the City has notified the employee twelve (12) hours in advance.

Section 12. **Call Back Pay**

An employee who has left his/her place of employment after having completed work on his/her regular shift and is called back to work prior to the commencement of his/her next scheduled shift shall receive a minimum of two (2) hours pay at his/her regular hourly overtime rate.

Section 13. **Meal Period**

A minimum one-half (½) hour to a maximum of one (1) hour meal period shall be scheduled by the supervisor as close to the middle of a full shift as possible, considering the needs of the Library Department and of the employees.

Section 14. **Wash-Up Time**

Employees shall be afforded reasonable wash up time before the meal period and at the end of the workday.

Section 15. **Breaks**

Rest periods of a maximum of fifteen (15) minutes shall be provided for each employee during each one-half work shift.

Section 16. **Flex-time work schedule.** Employees working in non-public service positions may discuss with their supervisor a flex-time work schedule. A flex-time work schedule may be agreed upon, although the City reserves the right to void such an agreement for operational reasons. The City's decision to void a flex-time work schedule agreement will not be subject to the provisions of Article 15.

ARTICLE 9
CREDIT UNION

Section 1. The City agrees that it will continue the present pay roll deduction plan with the Springfield, Massachusetts Municipal Employees Credit Union.

ARTICLE 10
SENIORITY

Section 1. The City recognizes the principle of seniority, and agrees that seniority be a significant factor in decisions involving selection or preference as provided elsewhere in this Agreement. Seniority shall be determined by the total length of unbroken service in the bargaining unit.

Section 2. In the event of a layoff, employees with the lesser amount of seniority in each similar position classification shall be laid off or demoted at his option first. Rehiring shall be by inverse procedure in that employees to be laid off last shall be the first to be rehired.

Section 3. Seniority shall no longer accrue, and all status as an employee and all eligibility for the benefits applicable to employees in the bargaining unit shall cease and terminate:

- (a) If the employee quits or resigns;
- (b) If the employee retires;
- (c) If the employee is discharged;
- (d) If the employee qualifies for payments under the permanent disability provisions of the Retirement System, or of the Worker's Compensation law effective at the time the appropriate agency determines such eligibility for payments;
- (e) If the employee is not recalled for work within two (2) years from the date of a layoff;
- (f) If the employee does not report for work as scheduled after a layoff or suspension or does not report for work within seven (7) days after mailing by the City of a notice of recall sent by Certified Mail to the address last known to the City;
- (g) If the employee files a false or fraudulent application for any of the benefits provided in this Agreement;
- (h) If an employee, while receiving benefits under this Agreement other than vacation, engages without written permission in any form of gainful employment, gainful self-employment, or

activities which could adversely affect the employee's recovery or return to work; or

- (i) If the employee is absent from work for five (5) scheduled work days without notifying the City.

Section 4. Employees who are rehired within two (2) years after a layoff shall have all previously accrued seniority restored to them that they had at the time of layoff.

ARTICLE 11
PROBATIONARY PERIOD

Section 1. The first six (6) months of an employee's employment plus lost time due to illness or leave of absence will constitute a trial period during which no transfer, layoff, suspension, discipline, or discharge shall be deemed a violation of any provisions of this Agreement or a cause for or subject to the grievance procedure or arbitration as provided in Article 15 on behalf of said employee. No employee is guaranteed employment for the duration of a trial period.

Section 2. Upon agreement with the Union, the City may extend the trial period. A probationary employee shall not be eligible for paid leave, personal leave, or vacation during the first six months of employment. However, upon satisfactory completion of the said period, vacation entitlement will be deemed to have begun to accrue as to his first day of employment.

ARTICLE 12
HOLIDAYS

Section 1. Each employee who qualifies under the provisions of Section 2 of this Article shall receive one (1) normal day's pay at the regular straight time wage rate for the following days:

New Year's Day	Labor Day
Martin Luther King Jr.'s Birthday	Columbus Day
President's Day	Veterans' Day
Patriots' Day	Thanksgiving Day
Memorial Day	Day before Christmas
Independence Day	Christmas Day

In addition, the Library Department will close at 5:00 p.m. on New Year's Eve day and the day before Thanksgiving. If scheduled to work until 8:00 p.m. on either of these days, employees can either come in early or use vacation or personal time, subject to their supervisor's approval. Employees with twenty-five (25) years of service with the Library Department shall receive their anniversary date as an additional holiday.

Section 2. The holiday pay for each of the holidays provided in this Article shall be paid only to an employee who has actually worked on his or her full scheduled working day immediately before and immediately after the holiday, unless the failure to work on either or both of said scheduled days was due to a bona fide illness or injury requiring medical treatment by a licensed physician or confinement. The Library Department may require a statement, on a form furnished by it, signed by the attending physician, if any, certifying the inability of the employee to work on his scheduled work day because of the illness or injury.

Section 3. Part-time employees who are regularly scheduled to work eighteen and one-half (18.5) or more hours per week shall be entitled to holiday pay if the holiday is celebrated on their regularly scheduled work day.

Section 4. The holidays, as provided in this Article, will be observed on the day prescribed, or as in applicable state or federal statutes.

Section 5. If any paid holiday occurs when an otherwise eligible employee is on vacation or on a full-time employee's regularly scheduled day off, the employee will be entitled to either (a) an equivalent paid day off at another time as mutually agreed upon between the employee and his or her supervisor, or (b) extension of the employee's vacation period by one additional day, depending on the operational needs of the unit and of the employee's department.

Section 6. If an employee is required to work on a holiday, all hours actually worked will be paid at the overtime rate, and this shall be in addition to the holiday pay to which the employee was entitled had he or she not worked on the holiday.

ARTICLE 13
VACATION LEAVE - USE FOR PERSONAL BUSINESS

Section 1 (a). Each **full-time employee** who has completed the probationary period and who is on the active payroll of the Library Department and who has worked for the six months in the calendar year prior to January 1st will be granted a vacation allotment of twenty (20) days on January 1st annually.

(b). Each **part-time employee** who has completed the probationary period and who is on the active payroll of the Library Department and who has worked for the six months in the calendar year prior to January 1st will be granted a vacation allotment of twenty (20) pro-rata days on January 1st annually.

Section 2. **Pro-rated vacation:**

An employee who has been employed by the City of Springfield for less than six (6) months and does not qualify for a full vacation under Section 1 of Article 13, on January 1st shall be granted paid vacation leave as follows for each aggregate week he/she has actually worked the City during the twelve months preceding the first of January in such year.

Employees with service of six months (6) months but less than five (5) years,
- one third working day.

Employees with service of five (5) years but less than ten (10) years,
- one half (½) working day.

Employees with service of ten (10) years, two-thirds (2/3) of a working day.

Employees with service of twenty (20) years, three-fourths (¾) of a work day.

In all of the above instances, partial days shall be disregarded. In no case may the partial vacation so earned exceed the vacation the employee would have been entitled to had he/she actually worked the full thirty weeks. Partial vacations are not considered earned or granted until the first of January of a given year.

Section 3. The parties agree to meet on a quarterly basis to review accrual rates (use of accrued vacation).

Section 4. Vacation pay will be based on the employee's straight time hourly wage rate.

Section 5. Vacation schedules shall be established by the Department. Employees must inform their supervisors of their requested vacation periods at least two (2) months in advance. In the case of a conflict of available dates requested, the employee with the greater seniority will be given preference. Employees who request vacation leave less than two months in advance shall be accommodated, if consistent with the staffing needs of the Department, on a first-come, first-served basis.

Section 6. Employees may divide their vacation days into any number of separate periods, in no less than one (1) hour increments, giving reasonable advance notice to and approval by the Supervisor in light of staffing needs.

Section 7. Employees are entitled to up to two (2) personal days each year, which, with prior approval of the supervisor, may be taken for the purpose of attending to personal business which cannot reasonably be attended to on the employee's own time. An additional day will be provided to employees who have achieved twenty (20) years of service with the Department. Effective and retroactive to July 1, 2016 employees who have completed twenty-two (22) years of service with the Department shall be entitled to a total of four (4) personal days annually. Employees who earn a fourth (4th) personal day may use it for any purpose.

Section 8. If an employee while on vacation becomes seriously ill and unexpectedly requires confinement in a hospital, the employee may apply for sick leave to cover the absence from work and reschedule his or her remaining vacation days. If an employee, while on vacation, suffers a bereavement for which bereavement leave under Article 17 would be available, the employee may apply for such leave and have the days taken for such leave restored to vacation credit.

Section 9. An employee who leaves the employment of the Library will be paid all accrued vacation leave.

Section 10. Upon advance notice, the Library shall pay the vacation allowance in advance of the employee's actual commencement of vacation. If the Library Department adopts mandatory direct deposit for members of the bargaining unit, advanced vacation pay will not be allowed.

Section 11. An employee's scheduled day off or vacation or personal leave may be changed for operational reasons, although the Library and the Union may meet to determine if those operational needs can be met in an alternative way.

ARTICLE 14 **ARBITRATION OF DISCIPLINARY ACTION**

Section 1. The City agrees that no employee who has completed his/her probationary period will be disciplined, demoted, given a disciplinary suspension, transferred involuntarily for disciplinary reasons or given a written letter of discipline without just cause. An administrative suspension pending investigation into allegations of misconduct shall not be considered disciplinary.

Section 2. A grievance over disciplinary action described in Section 1 shall be filed at Step 2 of the grievance procedure within five (5) working days of the date the action was taken. In the event, however, that the employee, a Union representative and the Director or his designee have discussed the matter in advance of the disciplinary action, the grievance may be submitted at Step 3 of the grievance procedure.

Section 3. Any grievance or arbitration arising under this Article shall be conducted on an expedited basis and the provisions of Article 15 shall be modified as follows:

(a) The selection of the arbitrator shall be made within thirty (30) days of the date the request for arbitration is made, or from the date the first panel of arbitrators is received from the American Arbitration Association, whichever is later.

(b) The Library and the Union agree to cooperate and schedule the hearing at the earliest reasonable date and to limit the time delays for other procedural matters, including the filing of briefs.

Section 4. (a) In any arbitration case involving discipline as described in Section 1, where the discipline was based upon the professional judgment of the supervisor and Director that the employee's professional job performance or skills did not meet minimum standards, the American Arbitration Association will be asked to select a panel of arbitrators, if any, with professional credentials in the field or substantial experience with professional standards of performance in the field.

Nothing in this Agreement shall be interpreted to prevent the parties from selecting an arbitrator by any other method by mutual agreement.

(b) The arbitrator shall be strictly limited to determining (1) whether, on all the evidence, a reasonable person would conclude that it was more probable than not that the employee(s) committed the act, engaged in the conduct, or failed to perform the duties which act, conduct, or failure was the reason or reasons assigned as the cause for the discipline, and (2) whether such act, conduct, or failure reasonably constitutes cause for discipline.

Section 5. The Library shall apply factors, such as length or quality of service, operational requirements, need or special ability to mitigate the severity of discipline. The arbitrator may substitute his judgment for that of the Library with respect to mitigation in any case where he finds the Library has acted unreasonably in exercising such judgment.

Section 6. Disciplinary Policy. The parties agree that discipline should be corrective rather than punitive. In accordance with this philosophy, the Department adopts a progressive discipline policy as outlined herein.

- i. An employee may be disciplined for performance or conduct issues including, but not limited to: incompetence, inefficiency, dishonesty, insubordination, unacceptable work performance, discourteous treatment of the public, convictions on a criminal charge, any unacceptable behavior or accumulation of minor infractions, other willful acts of misconduct, or for unauthorized borrowing or stealing of City tools, equipment, material and property, violence, threats, harassment, excessive absenteeism, conduct unbecoming a member of the Department or any action, whether on duty or off duty, that brings disrepute upon the City. This is meant to be a representative example of the kinds of behavior and performance deficiencies that will lead to disciplinary action. It is by no means exhaustive.
- ii. The Steps of the Department's Progressive Discipline Policy are as follows:
 1. First Offense: Oral Warning/Counseling Session
 2. Second Offense: Written Warning
 3. Third Offense: One-Five Day Suspension
 4. Fourth Offense: Termination
- iii. In cases where the conduct or performance so warrants, the Department may bypass any or all of the above steps regardless of whether previous infractions or performance issues exist.

ARTICLE 15 **GRIEVANCE PROCEDURE**

Section 1. Only matters involving the question whether the Employer is complying with the express provisions of this Agreement shall constitute a grievance under this article.

Section 2. Grievances shall be processed as follows:

Step 1. The Union representative with or without the aggrieved employee shall present the grievance orally to the employee's immediate supervisor outside of the bargaining unit, who shall attempt to adjust the grievance informally.

Step 2. If the grievance is not settled at Step 1, it shall be presented in writing to the Department Head within eight (8) calendar days from the date of the presentation at the Step 1 level.

Step 3. If the grievance is not settled within ten (10) calendar days from the date of written presentation at the Step 2 level, the grievance shall be submitted within ten (10) calendar days to the Human Resources and Labor Relations Department of the City.

Step 4. If the grievance is not settled within ten (10) calendar days from date of presentation at the Step 3 level, the Union may submit the grievance to arbitration. Such submission must be made within sixty (60) calendar days after the expiration of the ten (10) calendar days referred to herein.

Within the aforesaid sixty (60) calendar days period, written notice of said submission must be given to the Employer by delivery in hand, or by mail to the Human Resources and Labor Relations Department.

Nothing contained within this Article shall preclude the parties from meeting and settling said grievance.

Section 3. The arbitrator shall be selected by mutual agreement of the parties hereto. If the parties fail to agree on a selection in the first instance, the American Arbitration Association shall be requested to provide a panel of arbitrators from which a selection shall be made in accordance with the applicable rules of said American Arbitration Association. Expenses for the arbitrator's services shall be shared equally by the parties.

Section 4. Written submissions of grievances at Step 2 shall not be in less than triplicate, on forms to be agreed upon jointly, and shall be signed by the representative of the Union filing the grievances.

If a grievance is adjusted at any step of the grievance procedure, the adjustment shall be noted on the grievance form and shall be signed by the Employer's representative and the Union representative reaching the adjustment. At any step of the grievance procedure where no adjustment is reached, the grievance form shall bear a notation that the grievance is unsettled, shall be signed by the Employer's representative and the Union representative then handling the grievance, and shall be referred to the next step in the grievance procedure as provided herein.

Section 5. If at the end of twelve (12) calendar days next following either the occurrence of any grievance or the date of first knowledge of its occurrence by any

employee affected by it, whichever is later, the grievance shall not have been presented as Step 1 of the procedure set forth herein, the grievance in process under such procedure shall also be deemed to have been waived if the action required to process the said grievance with a Step or to present it to the next Step in the procedure shall not have been taken within the time specified therefore in Section 2 above.

Section 6. Any incident which occurred or failed to occur prior to the effective date of this Agreement shall not be the subject of any grievance hereunder.

Section 7. The arbitrator hereunder shall be without power to alter, amend, add to or detract from the language of this Agreement. The arbitrator's award shall be in writing and shall set forth his findings of fact, reasoning and conclusion. The arbitrator shall be without power or authority to make any award which requires the commission of an act prohibited by law or ordinance or which is in conflict with express provisions of this Agreement or of any rules and regulations of any retirement board established by law.

The award of the arbitrator shall be submitted to the Employer and the Union, and subject to law, shall be final and binding upon the Employer, the Union and the aggrieved employee.

Section 8. **Choice of Remedy:** If, as a result of the written Employer response in Step 2, the grievance remains unresolved, and if the grievance involves the suspension, demotion, or discharge of a permanent employee, the grievance may be appealed either to Step 3 (Human Resources and Labor Relations Department) of the grievance procedure or, at the option of the employee, to a procedure such as: Veterans Preference, or Fair Employment.

The aggrieved employee shall indicate in writing directly or through the Union which procedure is to be utilized - Step 3 of the Grievance Procedure or another appeal procedure and shall sign, or cause a statement to be signed, to the effect that the choice of any other hearing precludes the aggrieved employee from making a subsequent appeal through Step 4 (arbitration) of this Article.

Section 9. A grievance, by mutual agreement of the parties, can be initiated directly to Step 2 or Step 3 of the grievance procedure if the Employer's representative at Step 1 or Step 2 does not have the authority to satisfactorily resolve the grievance.

Section 10. The breach of any of the provisions of Article 6.1 shall, at the option of the City, forthwith terminate the obligation of the City to arbitrate the dispute underlying the breach.

Section 11. The City need not arbitrate, and will not be bound by any arbitration award involving a matter also subject to potential Civil Rights, OSHA, or National Labor Relations Act litigation, unless the City is first satisfied that such other procedures and avenues of litigation have been effectively waived by the affected employees and by the Union on a form agreed to by the parties.

TELEPHONIC AND ELECTRONIC COMMUNICATIONS SYSTEMS POLICY

City of Springfield Library Department Telephonic and Electronic Communications Systems, including computer hardware, software, fax machines and phone systems are valuable assets. They should be used for City business only. You may not copy or use City of Springfield's purchased/leased software contrary to the interests of the City of Springfield for purposes other than the business reason for the purchase or lease. The City strongly discourages the use of its communication systems for personal or non-business related use. Violation of this policy may be grounds for disciplinary action.

From time to time, your supervisor, manager or another authorized employee may access your computer, voice mail, E-mail or stored E-mail information files to better serve our needs or to make certain that they are being used properly and in compliance with this policy. E-mail messages, and all computer data files, are considered City files and not the property of any individual. The use of a password is to control access to City equipment and is not intended to create a right or expectation of privacy.

No City property including computers may be used for any unlawful purpose or to offend, harass, abuse, or otherwise communicate offensive, unlawful, or inappropriate messages or messages in violation of the City's policy prohibiting harassment, including sexual harassment. Nor may they be used to access material unrelated to the performance of the business of the City. Employees should be aware the "E-mail" messages can be retrieved and even subpoenaed for litigation and government compliance investigations.

Employees may not introduce personal equipment, software or documents executed on personal computers into City systems. City equipment, i.e., laptop computers, must be used when conducting offsite City business. At no time is it acceptable for employees to integrate work compiled on personal computers/software into the City files except with adequate virus protection and the advance written approval of your supervisor.

Employees who violate this policy are subject to disciplinary action according to City of Springfield policy and procedures.

APPENDIX E
POLICY ON LAYOFF PROCEDURE

Reductions in Force:

The employer agrees that for Year One (FY-06) there will be no reductions in force (e.g. layoff, privatization, reduction in hours,/days/week/s months etc.)

The employer will notify the Union sixty (60) day prior to any reductions in force.

The following policy reflects the understanding between the Union and the City as to the procedure to be followed in cases of multiple layoffs. It is understood that prior to such layoffs, the parties will meet to review this policy and make alternate arrangements where appropriate, by agreement. It is specifically understood that the time frame within which displacement options are to be considered and elected by affected employees (Section G) should be enlarged where practical.

An employee whose job is no longer available to him or her may displace an employee with less seniority through the Displacement Process. The Displacement Process allows the person who is laid off to assume a position which remains after layoffs, thereby displacing an individual out of his/her assignment.

The Displacement Process is necessary where there are a large number of layoffs.

- A. Displacement cannot occur into or out of the bargaining unit.
- B. With few exceptions, displacement may occur only within departmental units of the Library. For purposes of this reduction in force/staff, departmental units are:
 - 1. the library system
- C. A person laid off may displace the least senior person in the lower pay grade, provided, however, that a part-time employee may not displace a full-time employee.
- D. Interdepartmental displacement may occur when the laid off senior employee has prior direct experience within the past three (3) years in the position into which he or she may exercise displacement rights. Otherwise, all other limits may apply.
- E. The senior employee must be able to perform the responsibilities of the position he or she is taking, including any specific assignments or skills given to that position, without retraining and within one working day to become oriented to the new job. Prior direct experience in that job within the last three years is considered the principal measure of presence of skills necessary for assumption of job functions within one day. Examples

of specific assignments include bilingual or computer-based information systems responsibilities.

- F. All employees on layoff status will be contacted, (in order of seniority) and advised of positions for which he/she is eligible to exercise displacement rights.
- G. The displacement option will remain open for one day, i.e. overnight, and will only be offered one time.
- H. If an employee has exercised the displacement option and then changes his or her mind once this move has been made, he or she would then return to layoff status, and would not be called again for further displacement options.
- I. Staff with temporary reevaluation to higher grade levels will be eligible to exercise displacement rights from their permanent pay grade, not the temporary grade.

RECALL PROCEDURE

1. If a position with the same job title becomes available, through retirements, resignations, etc., employees on layoff status will be recalled to fill these vacancies in reverse order of layoffs.
2. You will be kept on the recall list for a period of two (2) years. It is very important that you keep us advised of your current address and telephone number during this period.
3. Recall cannot occur into or out of the bargaining unit.
4. People on layoff will also be notified of vacancies in similar positions at the same or lower pay grade.
 - a. IMPORTANT: If you are offered a similar position in the same pay grade and you refuse the position, you may lose your unemployment benefit rights, (unless hardship can be proven, e.g., no transportation to the new location).
 - b. If the position you are offered is in a lesser pay grade, or involves fewer hours of employment and you do not accept it, unemployment benefit rights are not usually affected.
5. If you are recalled for or offered a position, you will have three (3) days to accept or decline.
