Re: Site Plan / Development Plans
MGM Grand - Springfield
Springfield, MA 01105

Dear Mr. Williams

The Department of Public Works is in receipt of your submission of the site improvement plans for the MGM Casino Project in Springfield. The following documents have been reviewed:

- Drawing of repair labeled "**Broken Storm Drain Repair, SKS-1**" prepared by Allen & Major Associates, Inc., dated 8/15/2016
- Drawing of repair labeled "**Broken Storm Drain Repair, SKS-2**" prepared by Allen & Major Associates, Inc., dated 8/15/2016
- Corresponding Hydrocad and Drainage Calculation Packet.

The Department of Public Works has reviewed your submissions and has the following comments:

- **No comments at this time.**

At this time the pipe repair drawings are **conditionally accepted** for the remediation of the damaged storm drain. The plans will be considered fully approved upon submission of stamped and dated copies of these drawings.

Sincerely,

A handwritten signature in cursive script that reads "Connor M. Knightly".

Connor Knightly
Civil Engineer
Department of Public Works
