Re: Construction Management Plans
MGM Grand - Springfield
Springfield, MA 01105

Dear Mr. Burgess,

The Department of Public Works is in receipt of your submission of the early utility package site plan for the MGM Casino Project in Springfield. The following documents have been reviewed:

- Sheet set titled Construction Management Plan and Temporary Traffic Control Plan, for the Building Demolition – Phase III sheets, Springfield, prepared by Howard/Stein-Hudson, dated February 19, 2015.

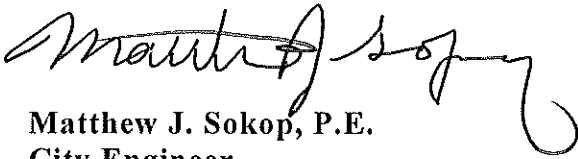

The Department of Public Works has reviewed your submissions and has the following comments:

- General.
 1. On sheet 12 a M4-9bR and R9-11L must be placed at the Eastern corner of State and Main St.
 2. On the sheet 13 at the Southern corner of Union and Main St., the M4-9bL should be replaced with a M4-9bR sign.
 3. On sheet 13 a M4-9bl and R9-11R must be placed at the Northern corner of Union and Main St.

4. On sheet 13 a R9-11R must be placed at the Southern corner of Union and Main St.
5. On sheet 13 M4-8, W16-8aP, M1-1, and M6-1R sign set must be placed at the intersection of Union St. and East Columbus Ave.

At this time the traffic management plan revisions submitted are **conditionally approved** for construction provided all current and previous comments have been satisfactorily implemented into the working planset. Additional review of plans and further revisions yet to be submitted are anticipated as well.

Sincerely,

A handwritten signature in black ink, appearing to read "Matthew J. Sokop", with a stylized flourish at the end.

Matthew J. Sokop, P.E.
City Engineer
Department of Public Works
