RE: Saga Night Club

It has been brought to my attention that the Saga nightclub is being used to party in through the adjacent/attached nightclub, the Zone?! As you know this is the site where Mr. David Carasquillo was murdered. May God rest his soul. This site should not be open. Please, if this is so, move immediately to sanction and shut them down again ASAP – shame on them!

Thank you and Good health. God Bless.

Respectfully,

Domenic J. Sarno  
Mayor
